An Attempted Burglary.

An attempted burglary of Mrs. J. V. The men darted away from the door they were forcing when spoken to.

Sheets-Exley Wedding.

The marriage of Miss Beta Sheets, of Martin's Ferry, to Edward Exley, of Wheeling, occurred yesterday morning at 10 o'clock at the bride's parents, Mr. and Mrs. M. M. Sheets, at "The Elms," in Martin's Ferry. The ceremony was performed by Rev. S. J. Bogle, in the presence of one hundred invited guests. The happy couple left on the Cleveland & Pittsburgh yesterday afternoon for a tour of the lakes.

Old soldiers' Reunion.

The annual reunion of the old soldiers of Ohio county will be held to-morrow at Centre school house, three miles distant from West Liberty. These affairs are always enjoyable and are well attended by the friends and families of the veterans. The social features of the reunion are well looked after, and a regular old time family picnic is the result. This year's promises to be a successful gathering.

A Fine Fishing Camp.

What is said to be the finest appointed fishing camp along the river is located at the "Narrows," near McMechen. It is that of the Central fishing club, and not the Central Garden club, as has been incorrectly stated. Visitors are entertained daily, and all are struck with the neatness of the camp and its handsome furnishings. The regulars on duty there comprise M. A. Chew, Henry and Charles Wurtzbach, Rich Donovan, Ross Chew, Jim Steinhart and Thomas Sholey. A fourteen-pound perch is the biggest catch boasted of.

FIRST premium and gold medal at the World's Fair was taken by Cook's Imperial Champagne, extra dry. Bouquet unrivaled.

RAILROAD DEALS

Of Magnitude Appear to be Materializing These days

AND THE WHEELING & LAKE ERIE

RAILROAD IS LIKELY, IT IS SAID TO FIGURE IN ONE THAT WILL INVOLVE THE REORGANIZATION OF THE COMPANY, ITS ABSORPTION BY THE WABASH AND THE EXTENSION OF THE LINE FROM WARRENTON OR STEUBENVILLE TO PITTSBURGH.

Railroad deals of great magnitude appear to be materializing these days. Only this morning it is announced that the "Big Four" has acquired the Monon system of roads, and is likely to soon acquire the Cincinnati, Hamilton & Dayton road.

Coming nearer home, there is a well defined rumor that the Wheeling & Lake Erie road, now in the hands of receivers, will soon figure in a deal of considerable importance. The recent efforts to reorganize the company have so far proved unsuccessful, so the more recent rumors involving the Wheeling road are being given some credence.

This rumor is to the effect that the Wabash system is in the market for the acquisition of the Wheeling & Lake Erie in furtherance of its plan to secure an entrance into Pittsburgh. The plan, it is said, is to build an extension of the Wheeling road to Pittsburgh from Steubenville or Warrenton, terminal points of the road on the Ohio river.

A TRAFFIC ARRANGEMENT.

Charles G. Smith, advertising agent of the Erie system, was in the city last night, and announced a traffic arrangement that has been put into effect in connection with the Wheeling & Lake Erie road. By this arrangement the traveler for Youngstown, Meadville, Jamestown and Chautauqua from Wheeling is given a through daylight ride, taking the Wheeling & Lake train from here at 9:40 a. m. and connecting promptly with the Erie road at Valley Junction.

CUTS DOWN CREWS.

As soon as the bridges on the Pan-Handle between Pittsburgh and Columbus are in shape, several large class H freight engines will be placed on that division, and the class R engines transferred to the Indianapolis division. The putting in service of these big locomotives west of Pittsburgh is giving the trainmen some anxiety, as it means that one-half the present number of crews will do the work. It is claimed that twenty of these monster locomotives will do the work of thirty-three of the class R engines.

"BIG FOUR" ACQUIRES.

NEW YORK, Aug. 11.—A controlling interest in the Chicago, Indianapolis & Louisville railroad, better known as the "Monon," has been acquired by the "Big Four." Negotiations are under way for the acquisition of the Cincinnati, Hamilton & Dayton, "The Big Four," or Cleveland, Cincinnati, Chicago & St. Louis railroad, is controlled by the Vanderbilts and this road is operated in close connection with the Chesapeake & Ohio.

Reynolds trial concludes to-day. Entry blanks for the Labor Day bicycle races can be procured at the Intelligencer counting room.

A case of Too Much Nationality—An Irishman takes French leave from an American company in the Spanish war.

Rain fell in quite a shower over in Bridgeport, and other towns across the river, last night about 9 o'clock, but on this side of the river there was but a faint sprinkle.

William Bowman was arrested early yesterday morning by Officers Babb and Devinity, and taken before Squire Greer, who levied a fine of \$5 and costs, which was paid. Bowman was charged with assault and battery, preferred by Maggie Baker.

Officer Walker last night arrested a boy who was bathing near the suspension bridge, without being clothed in a bathing suit, or rather for not being clothed. A few hours' confinement in the city bastille was thought sufficient to teach him a lesson.

An evening paper, last evening stated that Tom Wilson, the ferryman was "monarch of all he surveyed." This is a misstatement. E. M. Warfue still operates his naphtha yacht ferry at the foot of Twelfth street, running two yachts, and says he is carrying more passengers than ever before.

The indications are that there will be a good number go on that delightful trip to Mackinac Island next week. O. R. Wood, who has charge of the trip on behalf of the C. & W. railway, at the boat line, he warning no pains to make the trip a complete success. Yesterday he received the boat diagram with enough outside staterooms reserved to supply his party and those who contemplate going can secure their stateroom accommodations at his office, McClure House Block.

Robbed the Grave.

A startling incident of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50 cents per bottle at Logan Drug Company's drug store.
